**COMMENTS ON STATEMENT OF REASONS FOR ALLOWANCE**

Commissioner for Patents  
Washington, D.C. 20231

Dear Sir:

Applicants thank the Examiner for indicating that the claims are allowable and for pointing out the advantages of some of the embodiments of the invention. Applicants submit that the claims speak for themselves and that particular embodiments of the invention may have other advantages alone or in addition to those pointed out by the Examiner, and therefore that the Statement of Reasons for Allowance should not be used to interpret or in any way limit the claims. Moreover, to the extent that the Statement of Reasons for Allowance paraphrase the claims, applicant understands the claims to be broadly interpreted in light of the prior art.

Respectfully submitted,

Richard P. Dodson, Reg. No. 52,824
